"We Make Your Vehicle Simply Run & Look Better"

"This catchy phrase is our slogan...it’s what RON’s is all about", explains Founder Ron Uemura. For over 40 years, the RON's name has been synonymous with performance parts & accessories here in the islands. Ron got his start in a small garage in Kalihi doing custom installations, mostly for race applications. Back in the day, Ron was active in the race community and had a series of race cars named "Banana Gold"

Today, RON's is the largest retail performance store in Hawaii. Over the years, RON's has upsized, down sized, dropped products and added new lines. But the one thing that has remained constant is our commitment to give you the best service and the best parts at the best prices possible. We are well aware of the competition on the internet, but nothing can compare to the expert advice and service that our salespeople offer.

You'll be dazzled by RON's beautiful showroom.

5,000 sq. ft. of air conditioned space. Unlike most part stores, we have our inventory displayed on the sales floor so you can see what you are buying.

You'll be amazed by RON's huge inventory.

We stock over 200,000 performance parts & accessories for domestics, imports and trucks, plus performance tires & wheels. What we don't stock we will gladly special order for you.

You'll be impressed by RON's experienced and friendly staff.

We have a sales staff of knowledgeable professionals that have been in the performance industry for years. We are not an OEM parts store that tries to sell performance, Performance is our business, and we take it seriously.

You'll be pleased with RON's competitive prices.

Our prices are competitive with mail order. Our everyday low prices are well below retail. We will do our best to meet or beat any writen quote.

You'll be coming back for more with RON's expert Installation services...

We know some of you like to do it all yourself, but you got a life to do, so let us handle the installation for you. We install what we sell, so letting us do it for you will save you not only time but money!

We honor those who serve in the Armed Forces with Military Discounts everyday.

So if you're looking for the best in quality parts and service, take a drive down to Ron's Performance Center. You'll be glad you did!
