Hello Valued Supporters,

In preparation for upcoming events, we'd like to ask for your support in helping to clean up Kalaeloa Raceway Park. Over the next few months, we'll have designated clean-up days where you'll be able to help prep the park for the various events that will be taking place. Clean-up duties will included cutting the grass, tearing out weeds & bushes, as well as painting barricades and bunkers.

The first of these clean-up dates is set for Saturday & Sunday, February 21st & 22nd, 2009 starting from 9AM.

Everyone that helps will have the opportunity to sign a painted barricade with their initials/mark as a way of saying thanks for their volunteer efforts. Drinks & Lunch will be on us as well. Helping will also give you the experience of seeing the park for the first time.

We already have the machinery to do the heavy stuff such as the full scale mowing, but we'll need help with the small stuff. We'll need things like weedwhackers, shovels, picks, axes, and anything you would use to clean up a 30 acre parcel of bushland.

So again:

KRP Clean Up Day
February 21 & 22, 2009
Starting from 9AM
Kalaeloa Raceway Park

Please spread the word, and let's get a good group of people to get the park started on the right track! Save Oahu's Racetracks & Oahu Motorsports Advisory Council thank you for your continued support!

Kalaeloa Raceway Park is located just before the intersection of Coral Sea Road & Tripoli on the way to White Plains Beach in the old Barber's Pt. Naval Station.

Here's a direct map to it via Google:
