Hello Hulagans!

We're very happy to announce a new rental program for our HulaCross Extreme Rally-X! Starting January 16th, 2011, we'll have vehicles available for rent for a \$200 rental fee! This rental fee includes your \$50 run card! This is on a first come, first serve basis and is subject to vehicle availability. If the vehicle breaks during your rental, you will not be responsible for its repair or replacement! All rentees will need to sign waivers in order to participate!

Registration for our January HulaCross will be in the morning! Pre-Reg will be available for our February event!

Come join the big dogs and get dirty with us!
