

Sand Drags Test N' Tune - May 22nd!

Written by Administrator
Saturday, 30 April 2011 08:20

Come on out and get your vehicle ready at our next Sand Drag Test N' Tune. \$40 gets you all-day, unlimited runs in your vehicle of choice. It doesn't matter what you've brung, as long as you run. Also, some great news is that we hope to have our new photocell timing system from Portatree in-place and installed by this event in preparation for our June Small Gun Shootout. This timing system will be capable of measuring your E/Ts, 60-foot, and more! We're preparing to start up bracket racing, so come help us test it all out!

We'd also like to introduce our new Military Discount! Just present your Military ID at the gate to receive a discount on your spectator entry. Families are welcome...so bring a tent, a cooler, and come have a great time at Kalaeloa Raceway Park!

SANDDRAGS
SUNDAY, MAY 22ND
ALL DAY TEST N' TUNE
Gates open 8AM, Race 10AM
\$10 admission/ 5 & under free
