Congratulations to the winners of our first-ever NAPA Sand Drag Challenge!

KRP hosted our Thanksgiving weekend event on Saturday, Nov 27th where we gave away tons of goodies and prizes to our spectators, while our participants took it to the line in our first ever Sand Drag race! Sponsored by NAPA Auto Parts, the park showcased an exciting day of racing and provided us some much needed feedback on improving the event in preparation for the coming 2011 Season!

In addition to the racing, we gave away a fabulous trip for two to the Las Vegas American Country Awards! Lawrence Smith Jr., one of our HulaCross participants, was the lucky winner and we heard had a great time in LV! Thanks for being a supporter Lawrence! We also gave away 10 keys to Montgomery Motors' Cruise Into Christmas Suzuki Boulevard Give-Away! On December 18th, 1 of 40 keys will be the one that starts and wins a brand new Suzuki Boulevard! We'll announce the winner as soon as its known!

The racing was hot and heavy as tons of drivers showed up to take the purses for 1st & 2nd place in a heads-up elimination race to the finish. We'd like to thank all of our drivers for coming out and putting on a great show for our audience.

You can find all of the great photos of the event, including the tons of winners receiving their purses at our official [Facebook](#) page!
