On behalf of Save Oahu's Racetracks, LLC and the Oahu Motorsports Advisory Council, we welcome you to the new online home for the future Kalaeloa Raceway Park (KRP)!

This website will be your source for information regarding the planning, construction, and development of KRP. It will be consistently updated as progress is made and will feature extensive coverage and in-depth articles over a wide variety of topics such as the planned phases, various motorsports, sponsors, supporters, and the history of racing on Oahu. Please check back often, and make sure to visit the [Updates](#) and [Phases](#) links on the overhead menu bar for more information regarding the development of KRP.

We ask that you join us as our motorsports community unites under a common banner in our efforts to construct a temporary facility that can provide solace for our beleaguered motorsports community.

There is much to do, and many hurdles to cross but we hope that you will stand by us and show your support for Project KRP!
