

Hello Dear Motorsports Fans,

Kalaeloa Raceway Park is continually striving to make our park the best it can be. We might be a small, grassroots organization, but we believe we can run with the big dogs through hard work and dedication. Every time our spectators come out to KRP, we want them to see something new, whether it's a new tower (awesome job, by the way, guys!), some new equipment, or a new event. Our hardworking group of dedicated volunteers is committed to taking that necessary extra step in making it better for you, your family, and the thousands of motorsports enthusiasts across the island.

In light of this, we are extremely proud to announce the opening of our new E-Ticketing system. From this day forward, you'll be able to order, purchase, and print online tickets to all of our events! Each ticket is unique and features an original barcode for easy validation and the prevention of illegal duplication.

The system is easy to use. Simply click on the Buy Tickets link on the upper navigation bar, and follow the instructions. For your protection, we use PayPal as our authorizing agent. You do not have to have a PayPal account to purchase tickets. Simply pick the Guest option and pay with your credit card of choice. Once you've completed the login/registration process, you'll be able to select your event, quantity of tickets, and then proceed to PayPal's secure payment site to complete the process. Upon completion of your payment, simply **follow the return link** back to our website.

Once your payment clears, you will receive a confirmation in your email along with an attached E-Ticket. Print the ticket, and present it at the main gate. It will be scanned, validated, and you'll be on your way to a fun-filled day of motorsports action!

If you do not receive your tickets, please check your spam folder. You can also add tickets@kalaeloaracewaypark.com to your contacts list to ensure you receive your tickets in the future. If this still does not correct the problem, please contact us at tickets@kalaeloaracewaypark.com or by calling 782-7432.
