BIG UPDATE...the Informational Briefing has been moved to 9AM to 11:30AM, same day, Friday, Jan 17th, 2014! Rm 224! Please spread the word! Sorry everyone!

Aloha,

If you have been following the story thus far by watching our videos, you will know that we had given the Department of Hawaiian Home Lands (DHHL) until December 31st to contact us with a plan to address and resolve our issues concerning Kalaeloa Raceway Park.

As a result of this, we reached out to our Senators and have requested an informational briefing on the actions of DHHL with the Hawaiian Affairs Committee to be held on **Friday, January 17th, 2013 from 9AM to 11:30AM in Room 224 at the State Capitol**. This is the next step in resolving our current situation.

This is your opportunity to support. If you wish to attend to bear witness to this discussion. We welcome your attendance. No public testimony will be presented during the briefing, however you may submit positive written testimony in support of Kalaeloa Raceway Park to Senator Maile Shimabukuro at maileshimabukuro@yahoo.com.

Here is a sample template letter for your use: [Sample Letter Template](#)

We present this briefing as evidence that we are trying and have been trying since late 2006 to establish Kalaeloa Raceway Park as a fully functioning motorsports park. For those of you waiting for asphalt, these issues to be discussed are the reason we are not there *yet*. If you want to understand the full scope of what we have been dealing with, we invite you to attend.
