That's right! We've got another HulaCross coming up on Feb 13th! We'll also be holding a special event! RALLY RIGS! That's where we take a semi (like an International) and prep it for HulaCross! We're going to have several of these bad boys going toe-to-toe in a no-holds barred wheel to wheel race! Don't forget, we'll also have HulaBeaters for rent! \$200 includes your \$50 run card and allows you to absolutely tear up the course in one of our prepped vehicles. You can race all day or until you've broken it! Race on a real track in a real car with no questions asked if you happen to bust a tire! Where else can you do that? So come on out and join us for the 2nd HulaCross of the year! Hulagan Racing, Yeah!
