Get ready for another spectacular Hula-X event as we get down to business on Sunday, June 12th, 2011 at Kalaeloa Raceway Park! Once again, we're gearing up to see our favorite competitors take it to the max.

Can Mike Ward extend his already substantial lead in his battle-hardened Subaru WRX? Will Davin Kubo get his car together in time to keep in the points race for the Time Attack Championship? Can Landon Paras and Team Randy's NAPA Service take the podium again? I bet Cy Thomas has something to say about that! The word is we've got some serious contenders lining up for this event...including some new entries who have put some hardcore vehicles together!

The track is being prepped as this article is written...with more jumps and a free-flowing style similar to the last event with much wider turns and more room to maneuver so it should be just as spectacular as our last event.

In addition to Hula-X, we'll be holding our first ever MOTO-X! We've got some motocross guys that are screaming to take their bikes to the Hula-X track in what is sure to be a pretty awesome spectacle. We've put in a few more jumps specifically for them...this should be really good. Plus, apparently, Rodney Villanueva and the drag racers want a piece of the Hula-X pie...so join us for a DRAG RACERS HULA-X EXHIBITION! It's sure to be a great time for family and friends, so bring your coolers, your tents, and join us at Kalaeloa Raceway Park this weekend!
