

Hello Racers,

Due to the overwhelming inquires and requests, we have decided to allow a buy-in of \$100 to race on the 25th. This money will go to the purse for that particular class. The participant will be required to start in the back for the heat race.

If you have any questions or concerns, please feel free to contact us. Also, please remember that the only official source for race information is KRPHawaii.com.

Mahalo and see you there!
