

Recently, Oceanic Time Warner Cable filmed a commercial for their Ultimate 100 Internet and Kalaehoa Raceway Park was invited to participate. A portion of the commercial was filmed on location at KRP and featured two of our competitors, Mr. Koa Grace and Keoki Medeiros in their Mini Modifieds as they race to the finish line.

Thanks go out to Cliff Poteet, Mini-Truck & Hula-X #13 for his help as well as Gerard Elmore and the Oceanic Time Warner Cable crew for their inclusion of KRP in their commercial! You may view the commercial below.
