

KRP Cruise Nights was a huge success!

Sunday, 03 June 2012 21:30

Mahalo to all of our competitors and spectators that came out to our first ever KRP Cruise Night. It was a tire-shredding, bass-pumping, lowrider hopping success!

In truth, we were totally overwhelmed with the turnout...we weren't expecting the entire island to show up at 6PM. It was absolutely crazy and we are so appreciative of the turnout.

We have taken a hard look at the positives and negatives of this event and will make sure to take the lessons learned and apply them to the next one. Both gate entry, concessions, and parking will be improved greatly for the next event.

The turnout was simply massive...the event was killer, the sound-off was great, awesome hop-off, and we had over 40 plus cars and bikes participating in the burnout contest. What an event! Whew! Mahalo once again!

For now, enjoy these Youtube videos of our event.
