

Oneula Beach Park Cleanup - Sept 26, 2009

Written by Administrator

Saturday, 26 September 2009 00:00

Kalaeloa Raceway Park participated in the Oneula Beach Park Cleanup along with the Ewa Beach Lions Club on Saturday, Sept 26th, 2009. KRP staff volunteered to clean-up litter, refuse, as well as perform maintenance and repair on the existing parking barriers. Metal links were re-welded, poles were set back in place, and the entire system was re-painted to match. Concrete barriers were also donated to help shore up the existing areas and to prevent abuse of the beach areas by motorized vehicles.

Kalaeloa Raceway Park is proud to help the surrounding community and is committed to future outreach projects.
